

CASIA-WebFace DATABASE RELEASE AGREEMENT

Introduction

CASIA-WebFace database is used for scientific research of unconstrained face recognition. The face images in the database are crawled from Internet by Institute of Automation, Chinese Academy of Sciences (CASIA). Any one or group is allowed to use this database for educational or non-commercial use free of charge.

Because The images in the Database may be subject to copyright, we do not make them publicly available on our site. If you are a researcher who wish to have a copy of the images for educational or non-commercial use, we may provide you access through our site.

Rules

1. Researcher shall use the Database only for non-commercial research and educational purposes.
2. CASIA make no representations or warranties regarding the Database, including but not limited to warranties of non-infringement or fitness for a particular purpose.
3. Researcher accepts full responsibility for his or her use of the Database and shall defend and indemnify CASIA, including their employees, trustees, officers and agents, against any and all claims arising from Researcher's use of the Database, including but not limited to Researcher's use of any copies of copyrighted images that he or she may create from the Database.
4. Researcher may provide research associates and colleagues with access to the Database provided that they first agree to be bound by these terms and conditions.
5. CASIA reserves the right to terminate Researcher's access to the Database at any time.
6. If Researcher is employed by a for-profit, commercial entity, Researcher's employer shall also be bound by these terms and conditions, and Researcher hereby represents that he or she is fully authorized to enter into this agreement on behalf of such employer.
7. **Publication and Results Gathering:** Authors of all reports and papers that use the Database are kindly requested to send copies of these publications to cbsr-request@authenmetric.com for documentation and progress review.
